# School Board

FRANK B. BENNETT

Salem High School may well be proud of Mr. Frank Bennett, Salem's superintendant of schools. Mr. Bennett is one of twenty-five superintendents in the United States chosen to attend the Columbia Educational Conference at Columbia University, New York City, this summer. He will also serve as a member of the faculty at Oregon College of Education during the summer session.

As superintendant, he has shown understanding of the problems of high school students and has fostered a far-sighted policy of development for the school system. Mr. Bennett possesses a keen, analytical mind and a pleasing manner, especially evident in his many public appearances as a speaker.

The Salem school board is composed of five members who, in cooperation with Mr. Bennett, are the group responsible to the citizens of the community for the maintenance of the public schools. Each is a prominent person in the civic life of the community and is elected for five years by the voters of his district.

Heading the board this year is Mr. Ray Harland, chairman, followed by Mr. Donald A. Young, vice-chairman, and Mr. Connell C. Ward, clerk. By rotating in office once a year every member of the board is given opportunity to become the head officer. Much of the detail work is done by standing committees appointed by the chairman.

These people serve without compensation and seldom receive the honor due them. In addition to attending bi-monthly meetings, each must assume the personal responsibility for study, consideration, and finally a vote upon issues that affect the whole future of education in the city. They have demonstrated a real interest in the educational problems of the schools.

The school board represents a cross section of the community. Two lawyers, an insurance representative, a merchant, and a housewife are serving at this time. All have a personal interest in improving Salem's school system as each family represented has children of school age.

Left to right—Mr. Roy Harland, Mr. Harry W. Scott, Mr. Frank B. Bennett, Mr. Donald A. Young, Mr. Ed Majek, Mrs. David Wright, Mr. Connell C. Ward.

# Principal, Deans

Mr. Edmund Carleton, who is just completing his twelfth year at Salem High School and his second as principal, was first a member of the mathematics department and later assistant principal.

Looking back over this period, Mr. Carleton feels that there has been increasing cooperation on the part of student leaders with the administration and that regard for the school has grown correspondingly in the community and state.

Particularly proud of the attitude shown by the student body at the loss of the championship in basketball, Mr. Carleton is well pleased with the accomplishments of this year.

EDMUND A. CARLETON

A liberal point of view that develops from a great wealth of information and the sound judgment that reflects wide experience are characteristic of Miss Mable Robertson, retiring this year from her position as dean of girls and teacher of world history.

Since the fall of 1921 when she came to teach in Salem High School, through four years as head of the history department, and finally in the position of dean, Miss Robertson has formed an ever widening circle of friends that now encompasses thousands of Salem High alumni. Students have been quick to sense her cordial interest in young people, her intellectual curiosity, and her zest for living.

Miss Robertson's present plans are to pursue her varied interests in Salem and further develop her skill in weaving and gardening. In the near future she hopes to visit England and France.

Gurnee Flesher, whose duties are those of both assistant principal and dean of boys, is known for a quiet manner and calm decision.

Being a sports enthusiast since college days at Willamette University, Mr. Flesher came to Salem High as a member of the physical education department. His interest in the Vikings is still a major one, but for personal participation in the field of sports he now favors fishing, hunting and horse back riding.

Efficiency and thoroughness are the secrets to a smooth running office. Mrs. Bergstrom is well known to many students as the school clubs and organizations entrust their finances to her. Mrs. Higby, attendance clerk, does the job of keeping records of all the attendance slips for the eighteen hundred students of Salem Senior High. Office manager, receptionist, and private secretary are the various titles which Miss Long has added to her name.

To the custodians we owe credit for the good appearance of the building and ground. Following eighteen hundred students who have a tendency to leave lunch sacks, and candy bar wrappers in the building and on the grounds is not an easy task. Not pictured are: Mr. Raymond C. Hunter, Mr. Ed. Morrison, Miss Edith Reinwald, Mr. Claire Weaver, Mr. Otto Weber, Mr. George Zurlinden.

To represent and to govern is the serious responsibility held by the members of the A.S.B. Council. Before this council come such matters as the policy in making athletic awards, problems of school conduct, and school participation in civic projects.

Members assume many individual duties as planning of exchange assemblies, organization of A.S.B. social events, and representing the school at various public events.

# Gridiron

Cub Houck, aided by Wally Nelson, gains yardage in Salem-Eugene tilt.

Salem's football squad gave up only two losses in eight starts to round out a hard-fought 1947 season. The final tally was three wins, three losses, and two ties. (See scoreboard page 60 for scores.)

The three deadlocks were all Big Six League games, played with Albany, Bend, and Eugene. In the other two Big Six games, Salem won over Springfield **26-25** but lost to Corvallis **21-6**.

At the helm were skippers Harold Hauk and Loren Mort, whose task it was to shape inexperienced boys into a varsity football team.

Fullback Carlos Houck furnished the spark for the Salem squad and won individual honors as high scorer in the Big Six league. Houck tallied 58 points as compared to 45 for Sammy "the blond" Baker of Corvallis, who was second on the list.

## Football

Seven Vikings made the Big Six all-star teams. These were Captain "Cub" Houck, making the first team and establishing an outstanding record on the Salem squad as he scored 95 of the 96 points tallied, Bud Barnholdt and Rod Beals making the third team, while ends Bill Rock, Jim Rock, and Lowell Spagle, and center Bob Seamster made honorable mention.

Next fall seven lettermen will return to represent Salem High on gridiron fields throughout Oregon. These boys are Ray Cummings, Jim Rock, Bruce Barker, Frank Osborn, Fred Sproule, Loren Spence, and Dean Paulus.

Back row—Coach Hauk, VanOsdol, Seamster, Harbaugh, Craig, Morgali, Spagle, B. Rock, J. Rock, Paulus, Coach Mort.  
Second row—Mgr. Bower, Bachle, Sproule, Spence, Oakley, Glenn, Beals, Barker, Mgr. Wilcox, Mgr. Forristel.

# Gridiron

Back row—Paulus, Taylor, Houck, Barker.

Front row—Rock, Craig, Barnholdt, Seamster, Sproule, Nelson, Spagle.

Salem's starting eleven (pictured above) remained fairly constant throughout the season. Bruce Harbaugh and Ray Cummings, however, alternated at the guard position left vacant when Fred Sproule received a leg injury, and Mike Glenn took over the left half spot. Rod Beals saw plenty of action at center, while Jim Rock proved a worthy substitute for Lowell Spagle at left end position.

Dean Paulus finds himself "hemmed in" as he runs around end in the Salem-Roosevelt game.

# Jayvee Football

Back row—Enger, Shulze, Jensen, Hill, Cocking, Ullman, Harra.

Third row—Coach Juran, Durham, Rudd, Olson, Antrican, Soderman, Blackman, Goody, Graves, Stewart, Mgr. Allen.

Second row—Taylor, Johnson, Boggs, Paulson, McMullen, Cleveland, Bacon, Rogers, Sloan.

Front row—Canfield, Trowbridge, Error, Garver, O'Conner, Winkleblack, Kennedy, Schweitz, Mulkey, Walters.

Playing from a double wing formation the 1947 Jayvee football squad came through a season of nine games with 3 wins, 3 losses and 3 ties. Coaches Ellroy Jensen and Hank Juran were in charge of forming the team and teaching the boys the fundamentals of football.

In the Jayvee Big Six league, the Viks won 2, lost 2 and tied 1. The wins were at the expense of Eugene **6-0** and Albany **20-6** while losses were to Corvallis **6-7** and Springfield **7-0**. They tied with Bend **13-13** to finish the season with a 50-50 average.

The junior starting eleven making up the right side of the line ranged as follows: end Ray Boggs, tackle Bill Paulson, and guard Allan McMullen. Tom Sodeman was at center and on the left were guard Jerry Cleveland, tackle Gordon Bacon, and end Doug Rogers. In the back field were halfback George Error, quarterback Rick O'Connor, fullback Gene Carver, and halfback Jim Jensen.

The sophomores and juniors on the Jayvee team were taught the same tactics as those the Varsity used so that next year Junior Varsity Players could fill in the position left vacant by graduating seniors.

# State Tournament

Having first swept the District 11 crown, Coach Hauk's five moved to the state basketball tournament at Eugene, and there battled their way to the finals.

In the process Salem won over Baker **54 to 36** and over Astoria in the "Tournament Natural" **58 to 37**. Their most impressive win on MacArthur Court was at the expense of St. Helens, who bowed to the Viks by a count of **68 to 41**.

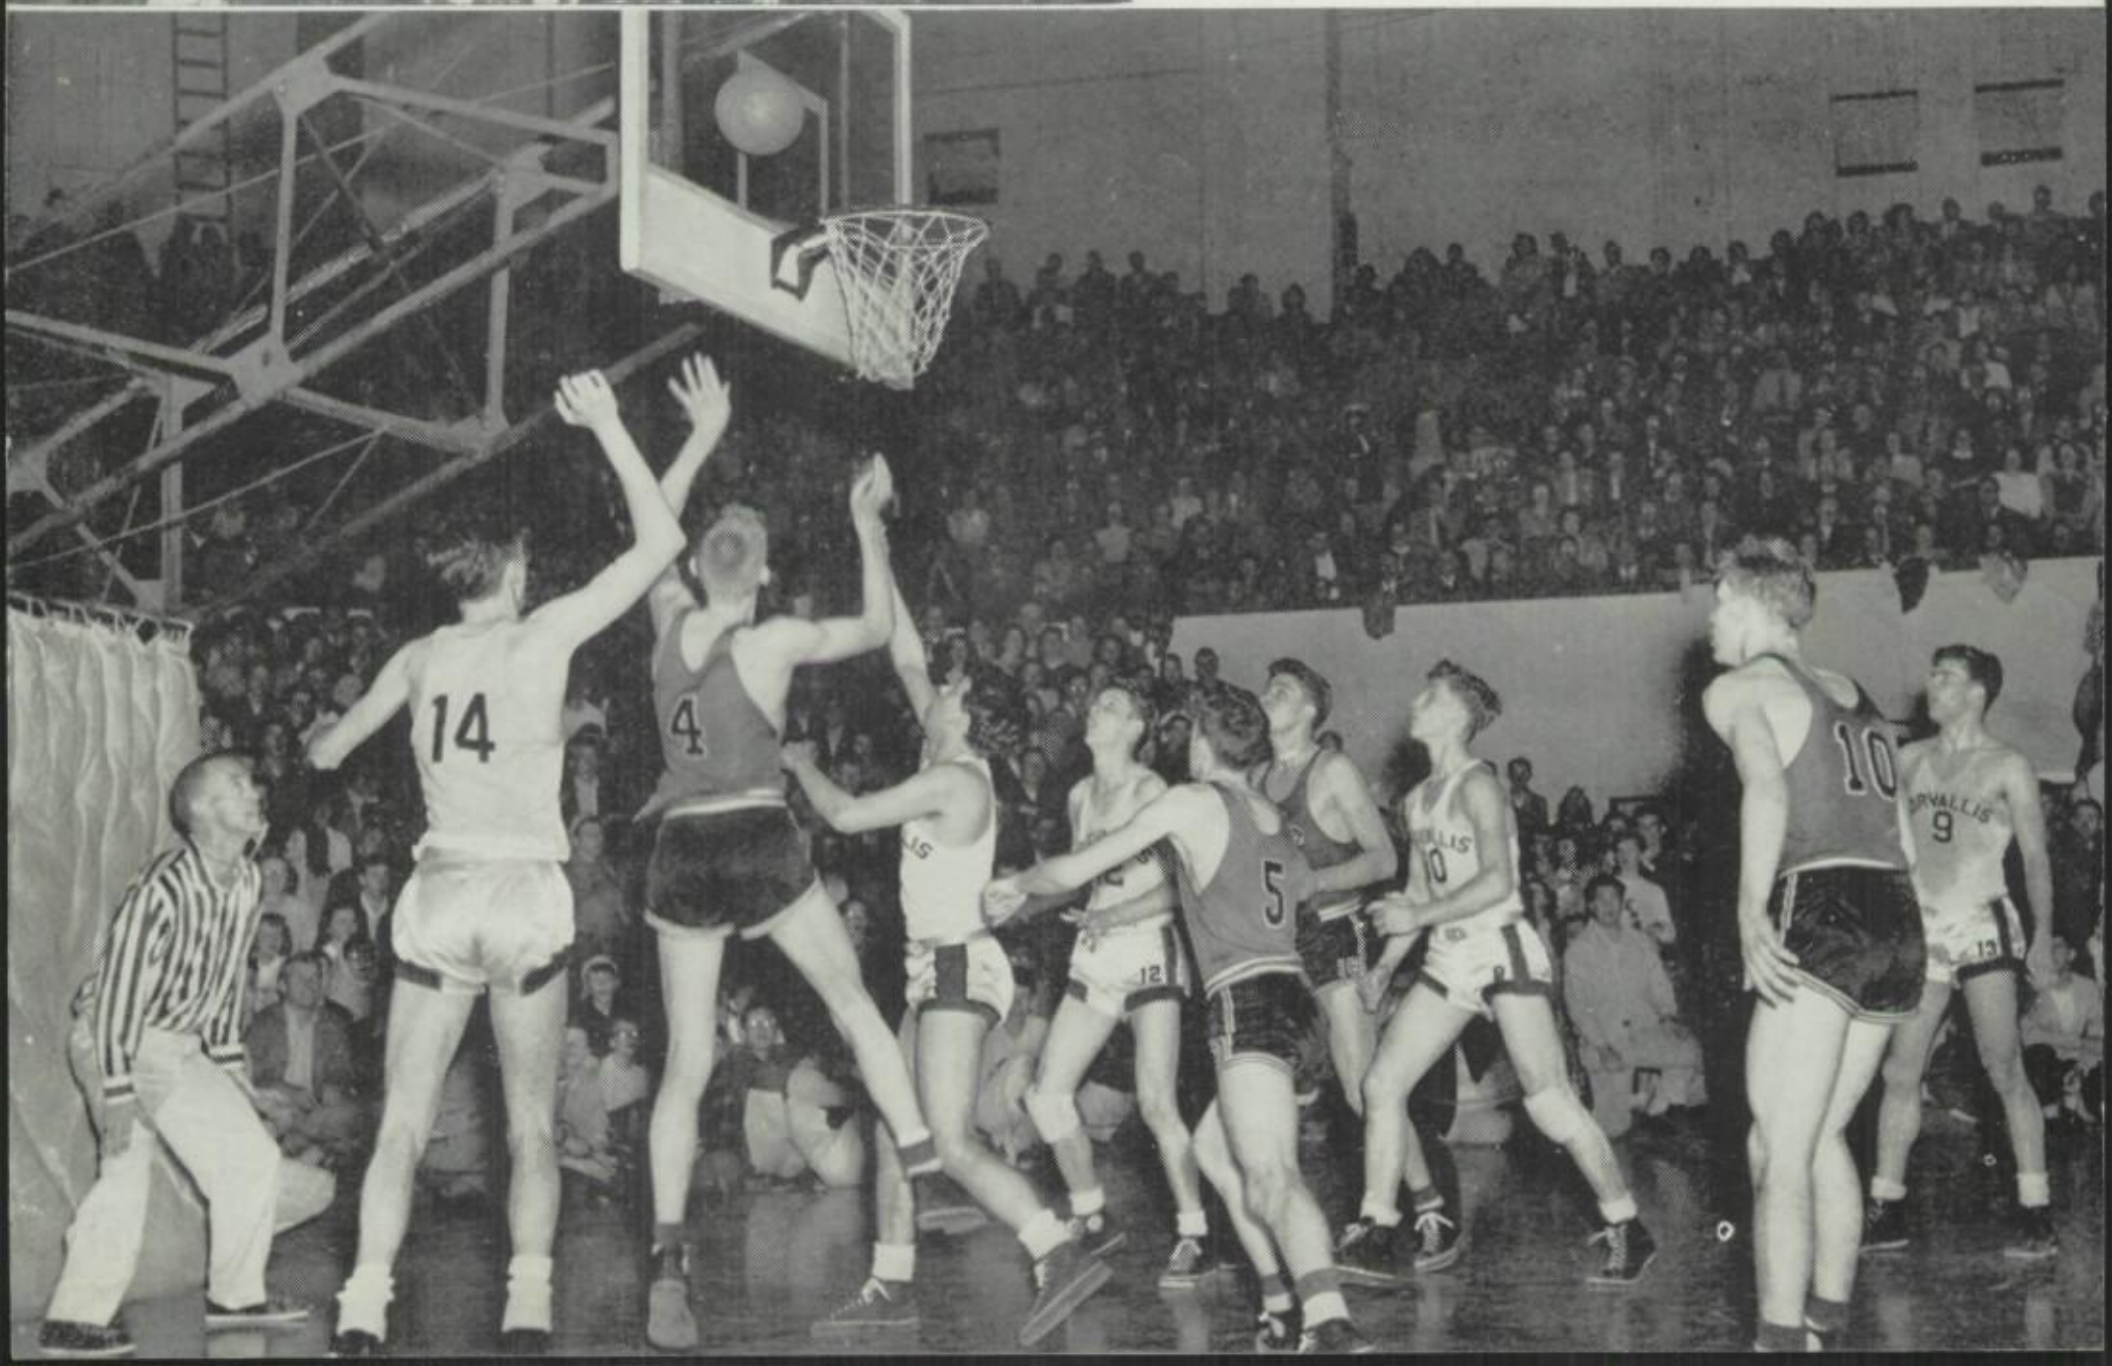

At the Saturday night finals it was Salem vs. Corvallis. Both squads had displayed a great deal of power in previous games, and this encounter proved to be fast and close. Viking fans, however, witnessed tragedy as Corvallis won a **47 to 43** championship and dropped the Viks to state runner-up.

The starting five were guards, Hugh Bellinger and Dave Chamberlain; center, Jack Miller; forwards, Carlos Houck and Keith Farnam. Mike Glenn, Waldo Unruh, Tom Paulus, Bud DuVal, and Cliff Girod made up the second team.

However, real honor was brought to Salem High as Carlos Houck and Hugh Bellinger placed on the all-state first team while Keith Farnam made the second squad.

# Varsity Hoopsters

The Viking basketballers finished their most successful season in a number of years by taking second place in the state and the championship of the Big Six League.

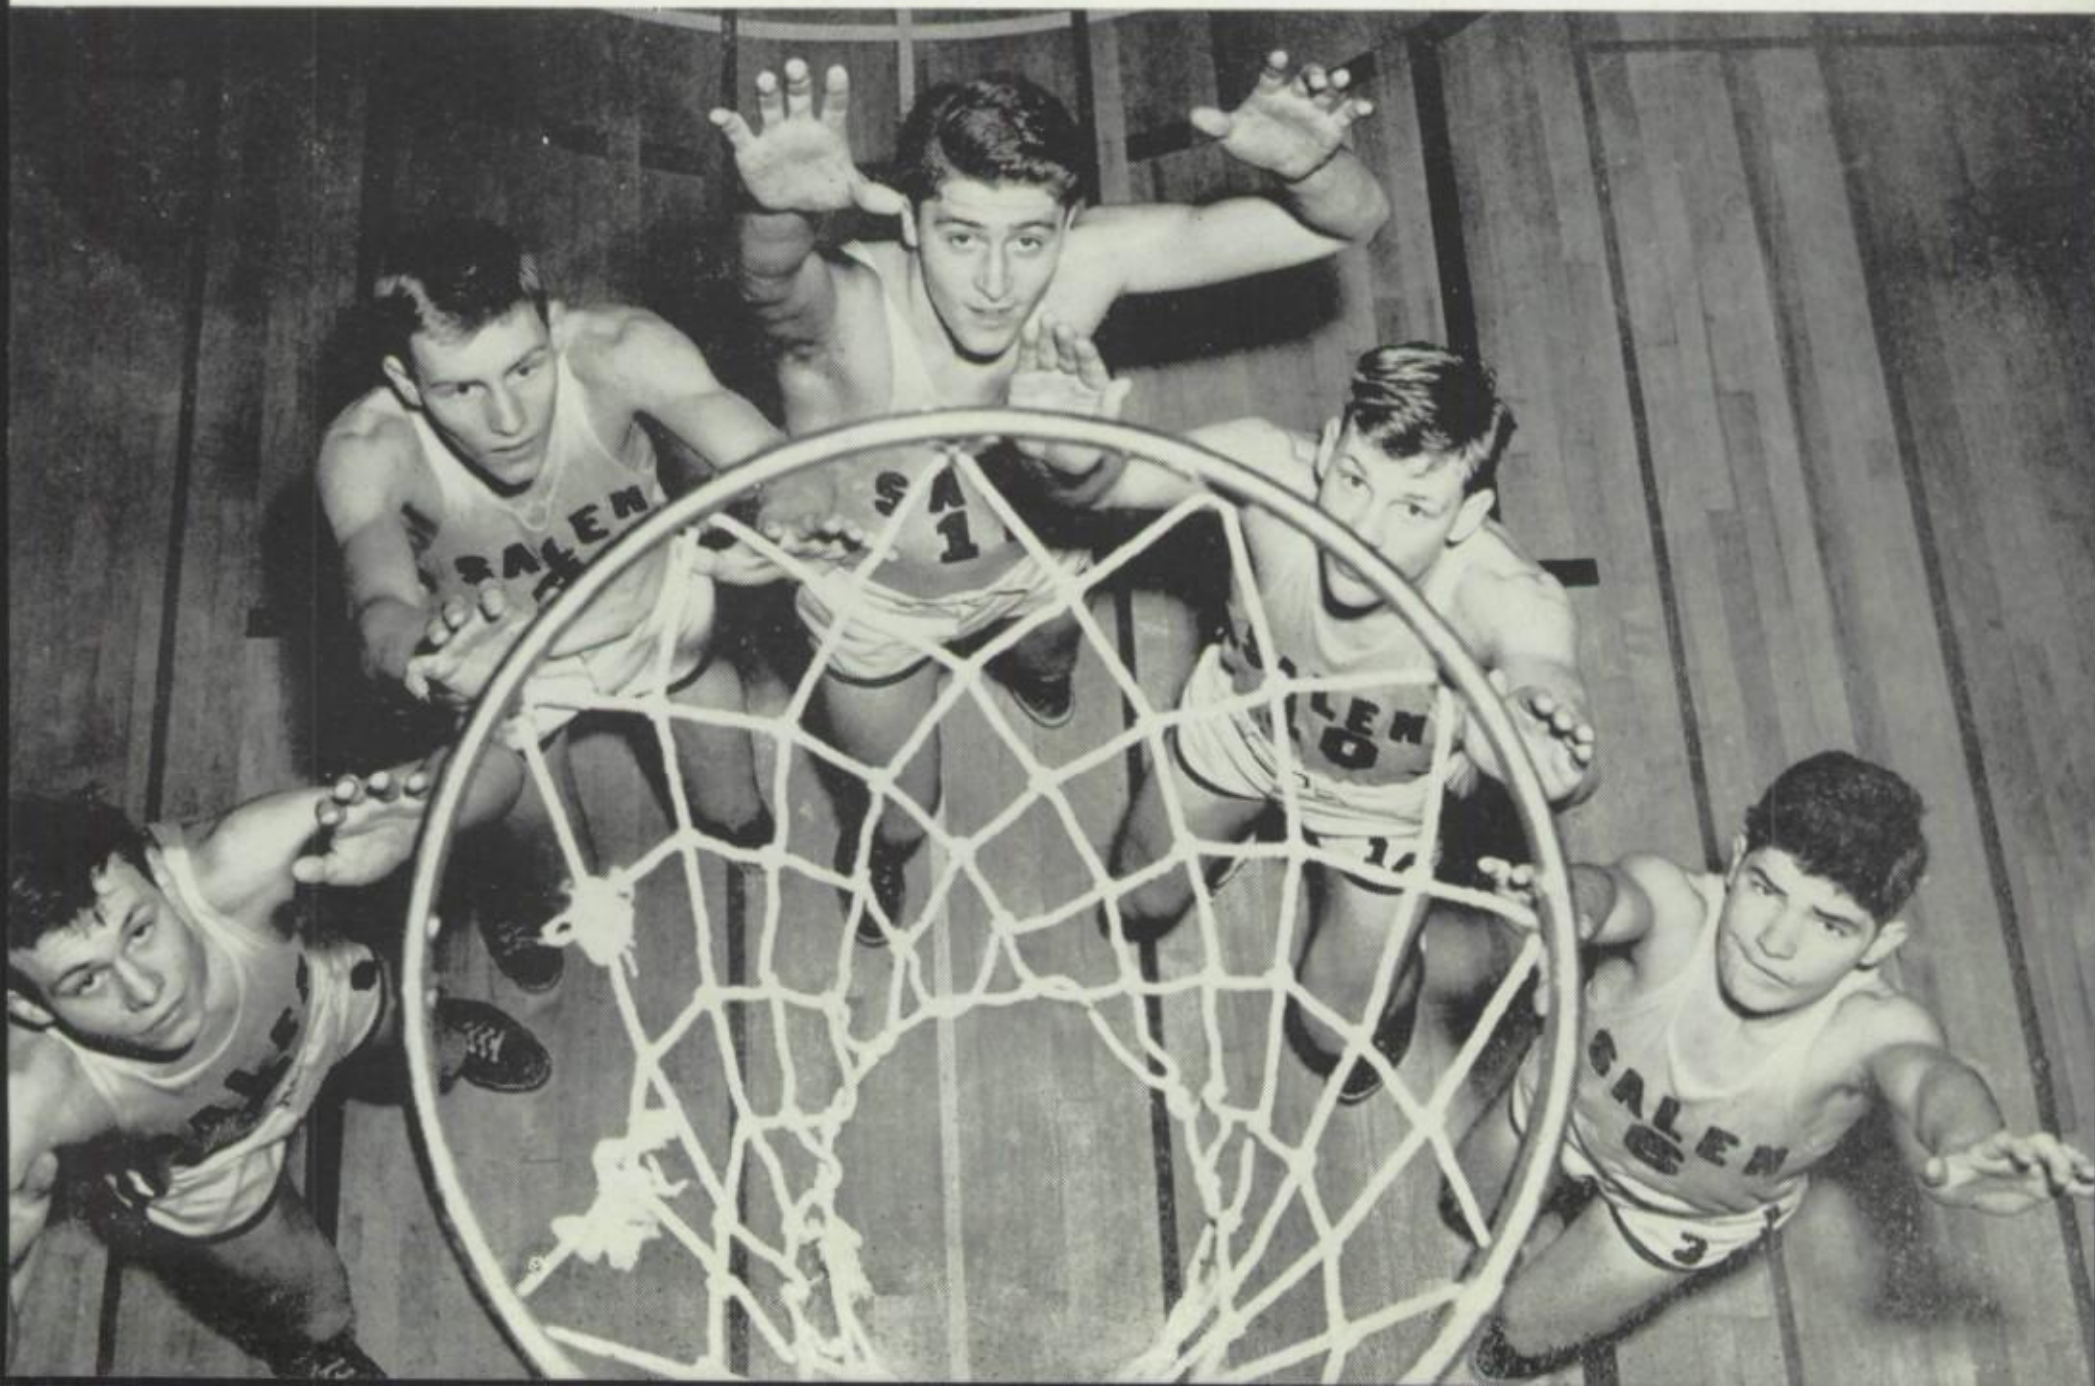

During their regular season Salem won 26 of the 34 games they played and was recorded as being the only high school team in the state to defeat both the Oregon Frosh and Oregon State Rooks.

Point making honors went to Carlos Houck with a total of 259. Bellinger, Farnam, Unruh, and Miller followed with 190, 162, 134, and 110 points respectively.

Next year Coach Hauk will have Tom Paulus, Keith Farnam, and Bud DuVal back as lettermen.

# Varsity Nine

In addition to winning second place in the State Tournament and sweeping six out of seven Big Six league games, Salem's 1947 baseball team won three straight games from Willamette University's Jayvees. The Viks were credited with winning 14 of the 18 games they played, and they scored 166 runs to their opponents' 44.

The pitching staff was one of the best Salem has ever had. Ray Coursey and Bud Craig opened the season by limiting Dallas to two hits as Salem won 17-1. The next game Rod Province pitched a no-hitter over Lebanon. Later Province held Albany to two hits, and Craig set Springfield down with only one safe blow. Eugene edged Salem 2-0 although Province gave up only two hits in the game. Later Province pitched a no-hit no-run game over Albany, in which only one batter reached first—that on an error.

In the State Tournament Salem literally walked over Central Catholic 11-2 and Hood River 17-0 but was on the short end of a 6-4 count when Jefferson of Portland won the state championship in a nine inning thriller.

Four boys were picked from the Salem team as all-state players. These were Dick Allison, catcher; Bud Craig, first base; Roger Dasch, second base; and Rod Province, pitcher.

Those having the highest batting average in the Salem lineup were Roger Dasch, who had a .417, Dick Allison with .400, and Dick Hendrie, .371.

With the opening of the 1948 season, Coach Harold Hauk expects to see five returned lettermen: Waldo Unruh, Carlos Houck, Frank Osborn, Mike Glenn and Cliff Girod. In addition, members of Coach Loren Mort's Jayvee squad will also be on hand.

New to Salem High's sports department during 1947 was the formation of a Jayvee baseball team. The squad, coached by Loren Mort, turned in a good season's record by winning ten of the eleven games they played. Their only loss came at the hands of Salem's Sacred Heart Academy who were defeated by the Jayvees 9-2 earlier in the season. The junior nine tallied 101 runs in eleven starts against 37 for their opponents.

Like all JayVee teams, the squad was a big help to Coach Hauk's varsity. Not only will JayVee players have more preliminary experience when they move up to the varsity but the scrimmages of the two were helpful in giving the boys actual game practice.

Coach Henry Juran's varsity wrestling squad closed their 1947-48 season with a record of 12 wins, 5 losses, and 1 tie, and in addition captured the championship of the Big Six league.

The Vikings won over Albany, Dallas, Newberg, and Springfield twice each, and over Molalla, Parkrose, and Oregon City once. In the losing column they bowed to Molalla, Oregon City, and Klamath Falls, and dropped two to Sandy. A tie with Klamath Falls finished the record.

Eight boys took championships in the Big Six matches. They were: Ron Shepard, 165 lb.; Lawrence Yellen, 155 lb.; Alfred Williams, 145 lb.; Eugene McGranahan, 128 lb.; Jack Cooper, 121 lb.; Jack Sills, 113 lb.; Julian Gartner, 104 lb.; and Vernon Paul, 96 lb.

Although the Viks failed to place in the state, three boys were runner-ups for state crowns: Julian Gartner, 104 lb.; Victor Schwietz, 139 lb.; and Jack Sills, 113 lb.

Outstanding performers were Jack Sills, who won 18 out of 19 matches and Alfred Williams who took 20 out of 21.

## TENNIS

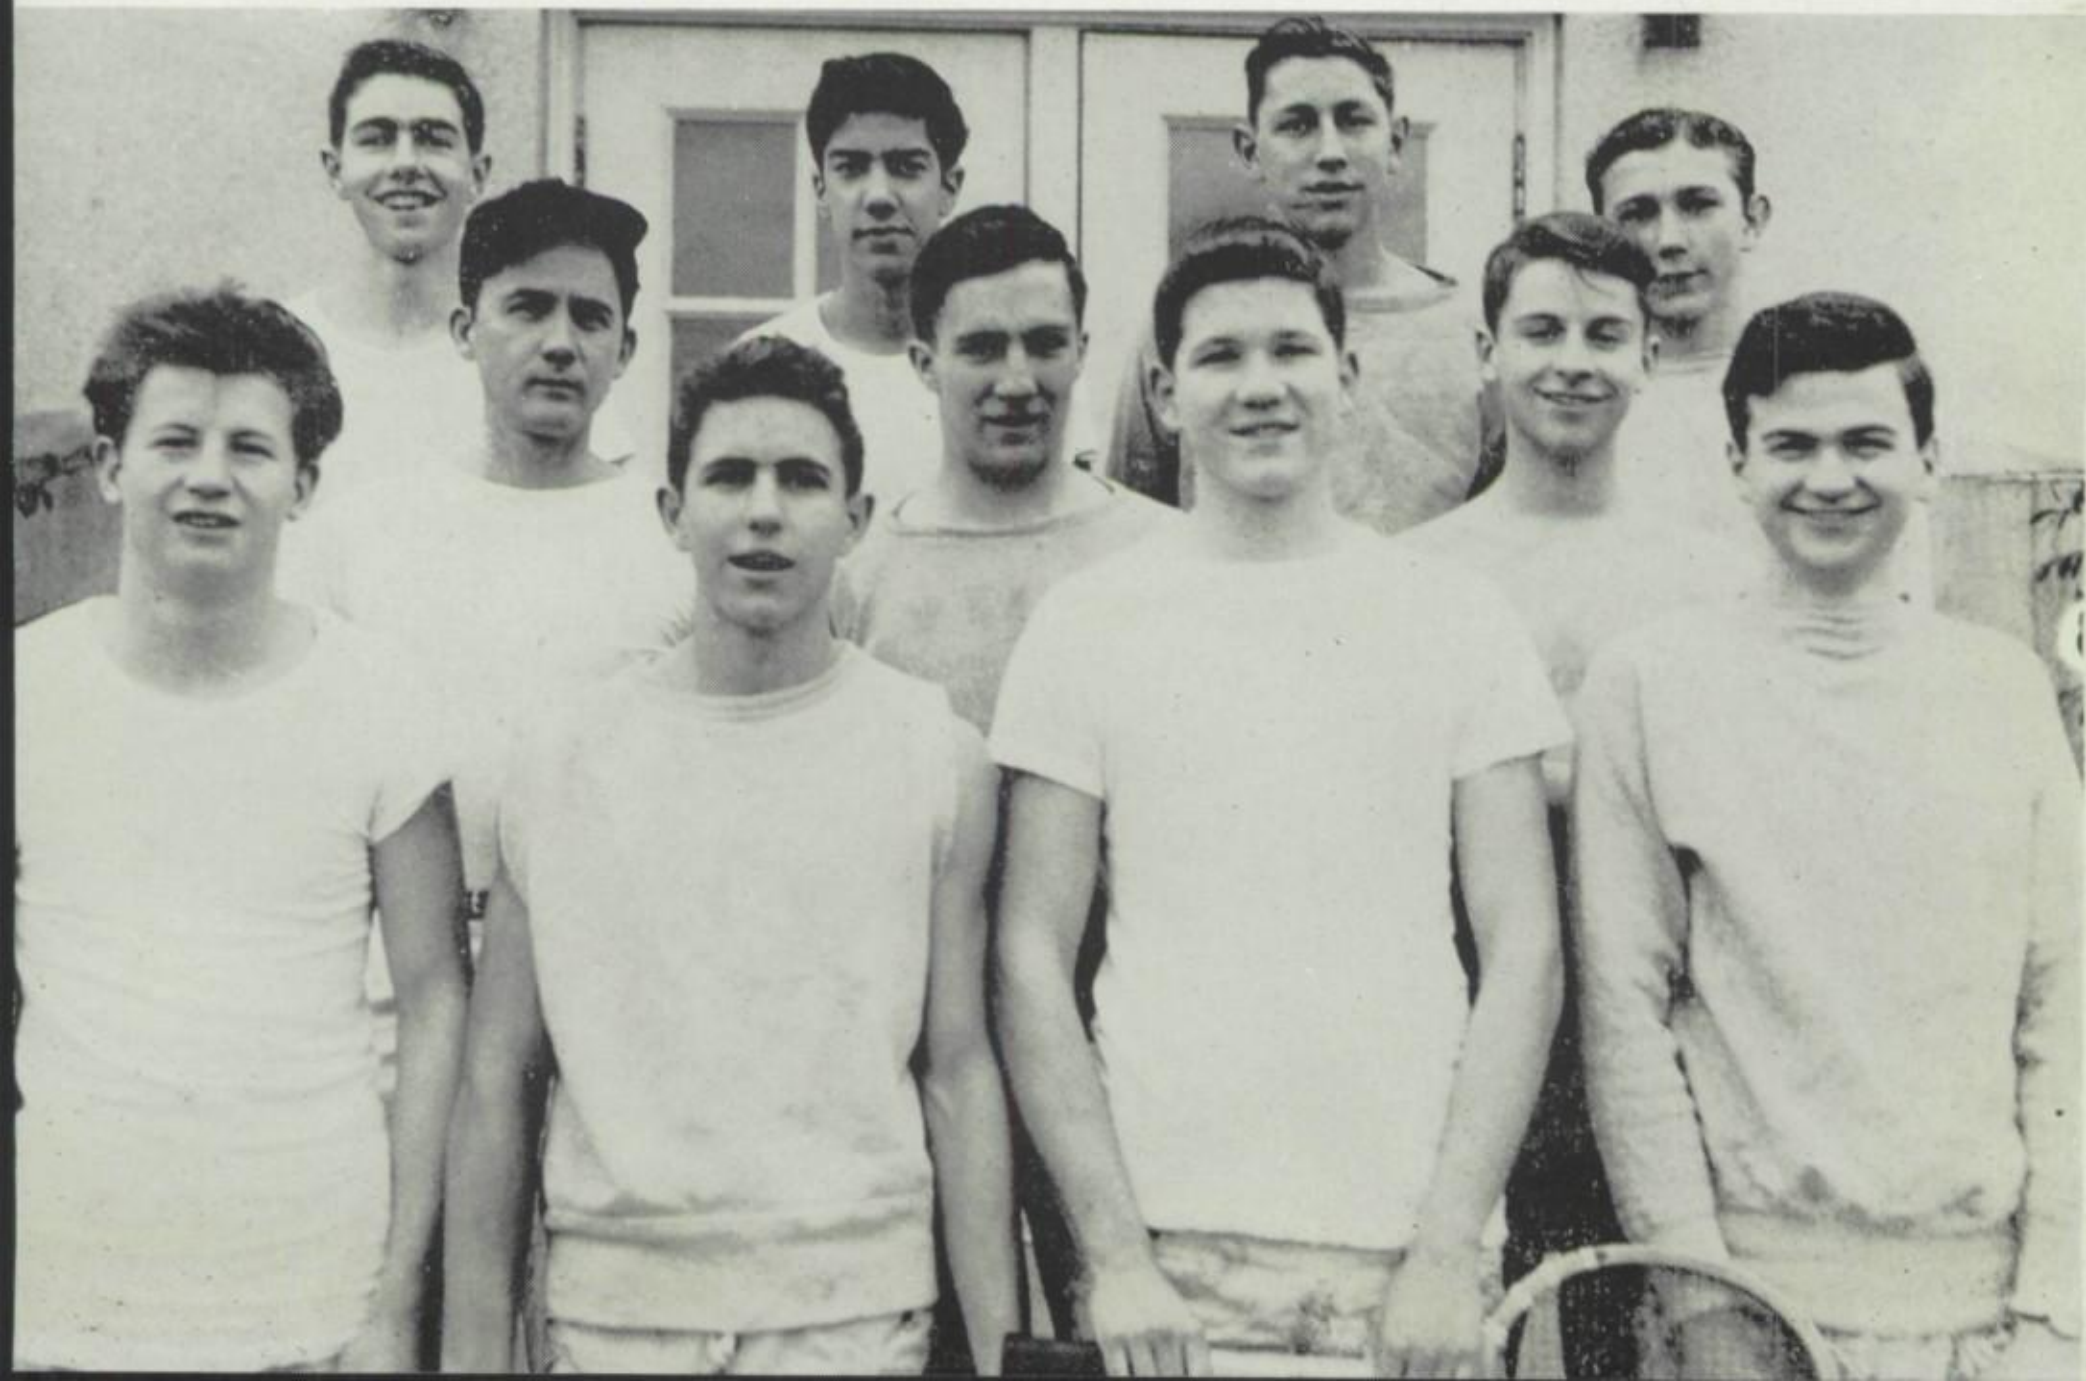

Although Coach Ramsdell's Viking tennis team easily defeated Corvallis 5-2 and blanked Jefferson High of Portland 7-0, it lost its next meet 5-1 to the Oregon State Rooks.

## Track

Viking Bob Craig wins shot put in District 7 meet.

The 1947 Viking track team opened its season by easily defeating Albany and Lebanon in a three way track meet. Salem scored  $78\frac{1}{2}$  points, while Albany counted  $59\frac{1}{2}$  and Lebanon 13. The Viks were edged by Gresham in their next meet  $56\frac{1}{2}$  to  $55\frac{1}{2}$  but made up for the loss by scoring 70 points to Milwaukie's 65 and Salem Bible Academy's 13 in another three way match.

Unable to collect sufficient power, Salem failed to place in the Big Six meet at Bend and also lost out in a dual match with Vancouver, Washington.

Showing marked determination the cindermen took the District 7 championship crown by scoring 77 points. They were hard pressed all the way by an equally determined Molalla who scored  $71\frac{1}{2}$ . Also placing were Silverton with  $33\frac{1}{2}$  points and Woodburn tallying 27.

Among the outstanding Salem performers were Bob Craig at the shot put and discus throw, Lowell Weese running the mile and Sophomore Jim Jensen, star of the 100 and 220 yard sprints. Craig was the highest scorer with 46 points for the season, Jensen had  $43\frac{1}{2}$ , Ed Possehl was third with  $33\frac{1}{4}$ , and Weese had 33.

The club is open to sophomores who have earned 100 points by competing in intramural games or participating in other sports, to juniors who have earned 150 points, or to seniors who have earned 200 points. Numerals, letters, sweaters, and additional stripes are awarded with the accumulation of points.

At the annual spring banquet, Evelyn Benz, thrilled and very excited, received the 1947 Girls' Letter Club plaque for the outstanding senior. Thirteen deserving girls also were awarded gold pins for their achievements in the club.

The purpose of the girls' tennis team was primarily to create an interest in the sport. As tennis season came many girls turned out for practices. Although most of them had never played before, but the ambition and enthusiasm needed were there. The first practices were held in the gym where service, fore-hand drive, and back-hand drive were learned. Later, the girls advanced to the court where they practiced at noon, after school, and late in the evenings. After many hours of hard work, the six best players were chosen, and a team was formed. Matches for the season were arranged with Jefferson, McMinnville, and Dallas.

The star player was Pat Powell, noted for her good court strategy. Mary Ruth Schlegel, also outstanding, was very good in the fore-hand drive. Shirley Utting, Janyce Baker, Evelyn Benz, and Jackie Allport, completed the membership, each girl providing strong competition for her opponents. Following the matches the girls held a social hour for drinking coke, discussing the games, and better acquainting themselves with the girls around them.

The credit for the success of the year, for the good humor and excellent sportsmanship shown is due to Miss Mary Alderson, adviser of the team.

# Autographs

Dear Dot,

I don't know what to say but I'll try and write something in this annual anyway. I sure wish you were here to do this for yourself. I don't have as many signatures as I would like to have but I have been so busy tests etc. that I haven't gotten a lot of signatures. Just when I planned to do it something else more urgent came up and I didn't get it done. Some of the autographs are written to me and some to you but I'll permit you to read ~~my~~ the ones written to me anyway.

Boy am I ever glad this is the last day of school. We go back

Friday for cards. Friday night is the Prom - - have to serve - Thursday we are going to the ice follies.

We got our N.H.S. pins today they look like this -  at least that is the general idea. I'll <sup>us</sup> Good luck to a gal that really deserves it.

Write soon. Alberta Fern
